千秋楽

Philippos Tsalahouris
(*1969)

Senshūraku: 千 sen / thousand (number) 秋 aki, shu / Autumn 楽 raku, tanoshii

pleasure (related to music because it is the second compound of the word ongaku 音楽 which is music).
It literally means the pleasure of a thousand autumns, that is, the millennium.
It means the finale, usually the end of a ceremony, closing ceremony.
